34th Carl M. Pearson Memorial Symposium

Frontiers of Rheumatology

March 18-20, 2016
Friday, Saturday and Sunday

Marina del Rey Marriott
Marina del Rey, California
Course Description

For the past 34 years, the annual seminar “Frontiers of Rheumatology” has honored the memory of Carl M. Pearson MD, the founding chief of Rheumatology at UCLA, by gathering a distinguished faculty for 3 days of interactions, presentations and educational discussions with participants, of current topics, recent advances and impending progress of importance to physicians and other providers of care to patients with autoimmune and musculoskeletal conditions. The course has been well-reviewed by participants and by visiting faculty who enjoy the relaxed atmosphere, challenging queries from participants and many opportunities for interactions. Many have repeatedly returned to subsequent seminars. Participants record their opinions about the quality of each presentation and of the overall course each year, as well as their suggestions for future topics, speakers and venues. Their suggestions are used by the organizers, along with comments from the faculty and knowledge of current literature and areas of need, to develop each year’s program. The basic purpose of the seminars is to maintain and improve the skills of the participants and to improve the care and outcomes of their patients.

Target Audience

This program is intended to provide rheumatologists, interested physicians, health care professionals, and rheumatology fellows with the most current information and insights on treatment of rheumatic disease. Interaction between participants and faculty members is emphasized.

Learning Objectives

It is the objective of this meeting to update current knowledge in rheumatology focusing on the practical clinical perspective. In addition to lectures, extensive question and answer periods, panel discussions, and casual exchanges will provide many opportunities for faculty and participants to interact and discuss clinically important topics.

Upon completion of this program, participants should be able to:

• Recognize interstitial lung disease in the rheumatic diseases, including RA, SLE, Polymyositis and Systemic Sclerosis
• Consider the latest advances in treating Osteoporosis
• Identify the possibilities and problems associated with clinically important drug interactions in the rheumatic diseases
• Use ultrasound in areas beyond the joints
• Use new treatments of RA and SLE in our armamentarium
• Understand how cancers and lymphomas affect the joints
• Describe what is new about amyloidosis and its treatment
• Treat ulcers and recognize their differences in Systemic Sclerosis
Meeting Location
Marina del Rey Marriott
4100 Admiralty Way
Marina del Rey, CA 90292
(310) 301-3000

The Marina del Rey Marriott is located three blocks from the beach in the heart of Marina del Rey, across from the world’s largest man-made harbor. It is six miles from LAX airport, with access to all area freeways and major surface routes. Within walking distance of the hotel are a variety of restaurants, clubs, and shops as well as biking paths, jogging trails and the Marina Beach. Close to Marina del Rey are art galleries, popular restaurants, architectural showpieces, and the distinctive cultural scene of Santa Monica and Venice Beach. Shopping in Beverly Hills and Century City is also close by. The Los Angeles area offers a variety of vacation entertainment for both adults and children. Disneyland, Knotts Berry Farm, Magic Mountain and Universal Studios are just a sample of attractions that help to make a visit to Southern California a memorable experience.

Accommodations
A block of rooms has been reserved at the Marina del Rey Marriott for seminar participants at a special conference rate starting at $219.00 per night for single/double occupancy. Confirmation of reservations received after March 1, 2016 is subject to availability.

For reservations call (800) 228-9290 or (310) 301-3000. Make sure to mention the UCLA Rheumatology Conference when calling in your reservations.

Conference Parking
There will be special banquet valet day parking rates of $15 per day for attendees of the conference. Overnight parking is $34.00 per night.

Transportation to Hotel from LAX
Taxi service is available from Los Angeles International Airport to the Marina del Rey Marriott.

Enrollment
By Mail
Use the form attached. Mail to the UCLA Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, 10920 Wilshire Blvd., Suite 1060, Los Angeles, CA 90024-6512.

By FAX
Send the completed enrollment form with credit card information and authorizing signature. FAX to (310) 794-2624.

Online
Use your MasterCard, VISA, American Express or Discover Card. Go to www.cme.ucla.edu and click on Frontiers of Rheumatology.

By Phone
Use your MasterCard, VISA, Discover Card, or American Express. Call (310) 794-2620.

Please visit our website for other UCLA CME offerings: www.cme.ucla.edu
E-mail address: eayala@mednet.ucla.edu
For additional information, contact the Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, 10920 Wilshire Blvd., Suite 1060 Los Angeles, CA 90024-6512
Phone: (310) 794-2620

Refunds
Cancellations must be received in writing by March 1, 2016 and will be subject to a $75 processing fee. No refunds will be given after that date. If for any reason the course must be cancelled, discontinued, or rescheduled by the Office of Continuing Medical Education, a full refund will be provided.

Early registration is recommended, as space is limited.

Accreditation
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 14.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement
The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy now mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. UCLA fully endorses the letter and spirit of these concepts.
