UCLA Department of Urology

Presents

48th Annual UCLA State-of-the-Art Urology Conference

Friday - Sunday
March 3-5, 2023

UCLA Meyer & Renee Luskin Conference Center
Los Angeles, California
This course explores the most challenging management problems facing the practicing urologist. Distinguished faculty present current information and techniques in urologic oncology (prostate, bladder, kidney), male and female voiding dysfunction, incontinence, BPH surgical therapies, thulium and holmium lasers, disposable scopes, androgen deficiency, Peyronie’s disease, prostate cancer focal and radiation therapy, perineal prostate biopsy, active surveillance, genetic testing, advanced prostate cancer therapy, non-muscle invasive bladder cancer, upper tract TCCA, renal tumors, pediatric urology, urethral stricture disease, gender affirming care, and GU dermatology. The conference emphasizes interaction between participants and faculty and allows ample time for case presentations and group discussions, ensuring an outstanding educational experience for attendees.

At the completion of this program, participants should be better able to:

- Tailor BPH surgical therapy
- Preserve ejaculation with BPH procedures
- Utilize perineal biopsy in clinical practice
- Utilize active surveillance in prostate cancer patients
- Perform retzius sparing robotic radical prostatectomy
- Utilize focal therapy for prostate cancer
- Utilize PSMA imaging for managing patients with prostate cancer
- Manage high risk and advanced prostate cancer
- Utilize genetic testing in clinical practice for prostate cancer
- Manage bladder cancer refractory to BCG
- Manage patients with upper tract urothelial cancer
- Perform partial nephrectomy enucleation
- Manage the spectrum of kidney cancer
- Manage male and female voiding dysfunction including bladder neck obstruction
- Utilize urodynamics in clinical practice
- Understand anticholinergic induced dementia and alter treatment algorithm
- Manage ureterscopy and PCNL complications
- Understand laser settings and risks with thulium and holmium lasers
- Utilize disposable scopes in urology
- Manage testosterone deficiency
- Manage Peyronie’s disease and treatment related complications
- Assess for depression in cancer patients
- Manage common pediatric urology problems
- Manage dermatology problems in urology
- Understand important aspects of gender affirming care
- Manage urethral stricture disease

A few days before the meeting you will be emailed a link and a password to download the individual speaker handouts.

Accreditation

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 21.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved for the AMA PRA Category 1 Credits™. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

American Society of Radiologic Technologists Credit Category A/A+ CE credit is pending approval by the ASRT.

Disclosure

The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the sponsor adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

The Department of Urology is a California Board of Nursing approved provider (#8888).
