California Association of Neonatologists (CAN) and AAP District IX Section on Neonatal-Perinatal Medicine

Cool Topics in Neonatology

29th Annual Conference

A Hybrid CME Conference
Available as both a live in-person and live virtual activity

Friday, Saturday & Sunday
March 3-5, 2023
Coronado Island Marriott Resort
Coronado, California
The 29th Annual Cool Topics in Neonatology Conference and the CPQCC Improvement Palooza will also be available through a live virtual meeting web platform.

- Attendees who choose to attend the live virtual activities will receive a virtual meeting link and password to access the live virtual conference.
- All registrants (live or virtual) will be provided the opportunity to review recorded sessions up to 3 weeks following the conference.
- Attendees will be awarded CME credit commensurate with the extent of their participation in the live activity (either in-person or virtual). The recorded sessions are not certified for CME credit.

In the event in-person attendance is cancelled or capacity limits modified per CDC or public health guidelines, the conference will be modified accordingly or presented entirely as a live virtual activity.

**Enrollment**

Enrollment is limited; we suggest you enroll early.

We accept Visa, MasterCard, American Express, and Discover credit cards.

To register using a credit card or ACH/electronic transfer, please visit https://www.cme.ucla.edu/courses/can2023. Registration for CAN, CPQCC and the POCUS workshop can be found on the same registration page.

*Credit card and check payments via phone, fax, or mail are no longer accepted.

**Questions**

If you have questions about enrollment, please call (310) 794-2620 or email: uclacme@mednet.ucla.edu.

**Accommodations**

A block of rooms has been reserved at the Coronado Island Marriott Resort at seminar rates: $269 single or double occupancy plus state and local taxes. One night’s deposit is required. Confirmation of reservations received after **Wednesday, February 8, 2023** is subject to availability.

There is always the possibility the room block might sell out prior to **Wednesday, February 8, 2023** in which case rooms will be sold at a higher rate based on availability and/or you will be referred to another hotel.

For more information and reservations call (800) 228-9290 or (619) 435-3000. Indicate that you are attending the Cool Topics in Neonatology program in order to receive conference rates. You may also book online at https://bit.ly/CANROOM23

It is strongly advised that you make room reservations early.

**Conference Parking**

Self-parking is $15 per day
Valet parking is $45 per day

**Refunds**

Cancellations must be received by February 3, 2023 by email to uclacme@mednet.ucla.edu and will be subject to a $75 processing fee. No refunds will be given after that date. If for any reason the course must be cancelled, discontinued, or rescheduled by the Office of Continuing Medical Education, a full refund will be provided.

The 2023 CAN meeting is environmentally friendly! The syllabus for the conference will be posted online during the meeting. You will also be able to download the syllabus prior to the meeting. Please note there are no electrical outlets at the conference tables. Make sure your laptop or tablet is fully charged each day.

**Accreditation**

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 12.5 **AMA PRA Category 1 Credits™.** Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved for the **AMA PRA Category 1 Credits™** as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local state board for specific continuing education policies.

**Disclosure**

The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manages all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.
Neonatology Point-of-Care Ultrasound (POCUS) Workshop

Sunday, March 5 – Monday, March 6, 2023 • Sunday – 1:00 pm - 5:00 pm - Monday – 8:00 am - 3:00 pm

Co-Chairs: Jae Kim, MD, PhD, Director, Division of Neonatology, Perinatal Institute at Cincinnati Children’s Hospital Medical Center in Cincinnati, Ohio, Jennifer Shepherd, MD, Assistant Professor of Clinical Pediatrics, Fetal & Neonatal Institute, Children’s Hospital Los Angeles, Keck School of Medicine of USC & Sai Mukthapuram, MD, Assistant Professor of Pediatrics, Division of Neonatology, Cincinnati Children’s Hospital Medical Center in Cincinnati, Ohio

This is a 2-day didactic/hands-on workshop to promote neonatology point-of-care ultrasound. The workshop is aimed at increasing the adoption of these emerging practices in neonatology and facilitating the foundational basis of POCUS for frontline neonatal providers. We designed a variety of didactic lectures that include basics of ultrasound, cardiac views, non-cardiac views, and various clinical applications/scenarios. A special focus of this workshop will include hands-on learning at teaching stations to cover cardiac, non-cardiac clinical and procedural applications. An ample number of instructors and live models will be present to provide a solid practical experience for participants. Additional focus this year will be on sessions that discuss steps and challenges in development of a POCUS program, educational curricula in POCUS and in providing preparatory aids to supporting POCUS at participants’ home institutions. Meals will be provided.

REGISTRATION FOR THIS WORKSHOP IS SEPARATE FROM THE COOL TOPICS IN NEONATOLOGY MEETING.

Registration for the workshop is only accepted online at www.cme.ucla.edu/can2023; then click on the POCUS workshop button. The fee is $300 (includes box lunch & breakfast/snacks) and there is no refund. Space is limited to 30 participants and applications will be accepted on a first come, first served basis. Attendees who register and pay will receive a separate confirmation for the workshop which will guarantee entrance. Open to Cool Topics attendees only.

Fee: $300 (Fellows’ fee: $150)

Coronado Island Marriott Resort

The Coronado Island Marriott Resort is only 15 minutes from the San Diego airport and a short water ferry ride to downtown San Diego. The resort provides over 300 rooms, villas, and suites set along 16 waterfront acres of San Diego Bay, offering sweeping views of the water and downtown skyline.

Recreational amenities are plentiful. Sailing, waterskiing and deep-sea fishing are available from the private pier. Golf is just across the boulevard at Coronado’s 18-hole championship course.

Suggested activities in the San Diego area include:
- San Diego Zoo
- San Diego Wild Animal Park
- Gaslamp Quarter
- Seaport Village
- Old Town San Diego
- Balboa Park
- Point Loma Lighthouse & Cabrillo National Monument
CALLING ALL NICU TEAMS…
CPQCC’s fourth annual Improvement Palooza is designed to help teams proactively understand the critical importance and benefits of restoration and how this relates to successful teamwork in the NICU. Attendees will learn how positivity & resilience impacts NICU teams, patients, and families. Held in conjunction with the 2023 CAN Cool Topics in Neonatology Meeting, CPQCC’s 2023 Improvement Palooza is an opportunity for NICU caregivers and families to build an environment in partnership that reduces stress and burnout and promotes patient safety and staff wellbeing. By the end of the conference, you will feel refreshed and inspired to make equitable, innovative and high quality changes in your NICU.

TARGET AUDIENCE
The California Perinatal Quality Care Collaborative (CPQCC) workshop is geared towards NICU multidisciplinary teams of caregivers and families that include: parents, neonatologists, pediatricians, neonatal nurse practitioners, advanced pediatric providers, registered nurses, ancillary staff, as well as hospital risk management and quality improvement specialists who can implement change in the management of the topics presented.

FEES
Virtual
$100 – CPQCC Member - per person with NICU team (>2 persons)
$125 – CPQCC Member – individual
$125 – Non-CPQCC member – per person with NICU team (>2 persons)
$150 – Non CPQCC member – individual

In person
$175 – CPQCC Member – per person with NICU team (>2 persons)
$200 – CPQCC Member – individual
$200 – Non-CPQCC member – per person with NICU team (>2 persons)
$225 – Non CPQCC member – individual

All in-person and virtual registrants will receive full on-demand conference access until April 15, 2023.

COURSE OBJECTIVES
At the conclusion of the program, participants should be able to:
• Identify strategies that promote positive teamwork in the NICU
• Identify innovative approaches to center the family voice as leaders and engage families in NICU QI activities
• Identify strategies around implementing equity focused quality improvement in your NICU
• Disseminate and share key concepts around health literacy with your NICU colleagues
• Identify key components of restoration that will lead to personal resilience

ACCREDITATION
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
The California State Board of Registered Nursing accepts courses approved for the AMA PRA Category 1 Credits™ as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local state board for specific continuing education policies.

2023 CPQCC Improvement Palooza: Restoration and Teamwork in the NICU
Friday, March 3, 2023

Join us live and in person or attend virtually for a new hybrid conference experience this year!

**Neonatology Fellows’ Workshop 2023 • 8:30 am – 3:30 pm**

**DESCRIPTION**

The Section on Perinatal Pediatrics District IX and the California Association of Neonatologists are pleased to sponsor the 19th annual workshop for California neonatology fellows titled **Life After Fellowship: Exploring Career Opportunities and Practical Considerations for New Neonatologists**.

The workshop is designed to provide neonatology fellows and new neonatologists with the information that they will need to make career choices for practicing neonatology as well as exploring the non-clinical elements of practice, including different practice models, the business of neonatology, finding a job, work/life balance and personal wellness, women in neonatology, practical financial planning, global health, professionalism and conflict resolution in the workplace. The workshop will emphasize small group participation and discussion. An expert faculty will conduct this workshop. Enrollment is open to all neonatology fellows in California, but will be limited to approximately 30 participants. New neonatologists within two years of completing their fellowship will also be welcome to attend if space is available. Pre-registration is required.

**COURSE DIRECTOR**

Rangasamy Ramanathan, MD  
Professor of Pediatrics  
Division Chief, Neonatal Medicine, LAC+USC Medical Center  
Director, NPM Fellowship Program, Neonatal Hemodynamics and NICU  
Keck School of Medicine of University of Southern California  
Los Angeles, California

**COURSE FACULTY**

Shazia Bhombal, MD  
Associate Professor of Pediatrics  
Associate Medical Director Neonatal Services  
Children's Healthcare of Atlanta at Egleston  
Emory University  
Atlanta, Georgia

Christine Bixby, MD  
Attending Neonatologist  
Medical Director, Lactation Services  
CHOC Children’s Hospital  
Orange, California

Arlene Garingo, MD  
Attending Neonatologist  
Associate Professor of Pediatrics (Clinician Educator), Keck School of Medicine of USC  
Los Angeles, California

Adrian Lavery, MD, MPH  
Associate Professor of Pediatrics  
Loma Linda University School of Medicine  
Loma Linda, California

Henry C. Lee, MD, MS  
Professor of Pediatrics  
UCSD Jacobs Medical Center  
University of California, San Diego  
San Diego, California

Gilbert Martin, MD  
Loma Linda University Children's Hospital  
Loma Linda, California

Virender Rehan, MD  
Professor and Chief  
Director, Neonatal-Perinatal Fellowship Training Program  
Co-Director Perinatal Research Center  
Harbor-UCLA Medical Center  
Torrance, California

Meera N. Sankar, MD, FAAP  
Clinical Professor, Department of Pediatrics/Neonatology  
Stanford University School of Medicine  
Palo Alto, California

Claire Song, MD  
AAP California Chapter 4 Representative  
District IX Council - Communication & Digital Media Chair  
Women In Neonatology Steering Committee  
Chair Elect – AAP/ SONPM

Fiona Wertheimer, DO  
Assistant Professor of Pediatrics  
Director of Normal Nursery  
LAC-USC Medical Center  
Keck School of Medicine University of Southern California  
Los Angeles, California

Amy Yeh, MD  
Assistant Professor of Clinical Pediatrics  
Keck School of Medicine of USC  
Los Angeles, California
This is the twenty-ninth annual conference presented by the California Association of Neonatologists (CAN) and the AAP District IX Section on Neonatal-Perinatal Pediatrics. Internationally recognized faculty will present important clinical topics related to current trends and best practices in neonatal intensive care, with a recognition of the family as the center of a team-based approach to care.

Course Objectives
At the conclusion of this course, participants should be able to:

- Be familiar with recent high-impact trials and practice trends in neonatology, and utilize social media and web-based tools to stay current on evidence-based best practices in neonatology.
- Describe key differences between techniques for less-invasive surfactant delivery and cite the evidence supporting their use, as well as develop a working familiarity with MIST/LISA and SALSA techniques to determine appropriateness for your practice setting.
- Gain hands-on experience in current and emerging clinical tools and bedside techniques in the NICU. Identify the primary barriers and implement a specific intervention to: 1) minimize provider burnout, 2) optimize neonatal thermal regulation, and 3) promote an anti-racist NICU environment.
- Describe major concerns and potential benefits in adjusting criteria for therapeutic hypothermia to include all babies with mild HIE.
- Define machine learning and list at least four types of multomics data, as well as discuss how each are currently being used to predict outcomes in the neonatal population.
- Discuss the impact that Clinical Decision Support (CDS) Tools have had on the practice of newborn care and cite the evidence-based research from which at least one commonly utilized tool was developed.
- Describe the stages of oral sensory maturation in preterm feeding development.
- Discuss the impact of human milk on preterm brain development and describe the associations between early growth and outcomes among ELBW infants.

Target Audience
The Cool Topics in Neonatology Conference is targeted to neonatologists, neonatal allied health providers, neonatal nurses, NICU-based therapists, dieticians and developmentalists.

**Friday, March 3, 2023**
