Aesthetic Eyelid and Facial Rejuvenation Course 2017

Dr. David Cotten
School of Medicine
UCLA

Rejuvenation Course

Friday-Saturday • July 21-22, 2017

UCLA Campus
UCLA Stein Eye Institute

Course Description

The course is a highlight lecture on surgical and non-surgical options for ptosis, upper eyelid surgery, brow lift, and midface lift. The course will also include a panel discussion on the latest in the field, with expertise in facial rejuvenation and surgical techniques. The course will provide an overview of the latest in the field, with expertise in facial rejuvenation and surgical techniques. The course is designed to provide participants with tools that they can immediately apply to their own practice.
DISCUSSIONS

The various sections of the book were thoroughly explored and discussed in class. The students were encouraged to ask questions and share their thoughts on the material. The discussions were facilitated by the professor, who provided clarifications and insights to enhance understanding.
