# UCLA State-of-the-Art Urology

This course explores the most challenging management problems facing the practicing urologist. Distinguished faculty present current information and techniques in female pelvic medicine and reconstruction, stress urinary incontinence, nocturia, renal and ureteral stones, surgical therapies and technologies for BPH, diet and supplements for men's health, pelvic and scrotal pain, testosterone replacement therapy, urologic oncology (prostate, bladder, kidney), imaging (Fluciclovine Scan and PSMA PET) and ablative therapies, biomarkers for cancer detection and management, prostate MRI, active surveillance, robotic surgery pearls, BCG unresponsive bladder cancer, management of the small renal mass, GU dermatology and practice management. The conference emphasizes interaction between participants and faculty and allows ample time for case presentations and group discussions, ensuring an outstanding educational experience for attendees.

At the completion of this program, participants should be better able to:

- Utilize biomarkers and biopsy techniques for prostate cancer detection and active surveillance
- Determine the role for prostate MRI prior to the first prostate biopsy
- Determine the role for SBRT for prostate cancer
- Understand the present and future role for Fluciclovine Scan and PSMA imaging
- Manage advanced prostate cancer
- Understand the present role for focal therapy for prostate cancer
- Utilize alternative intravesical chemotherapies for bladder cancer
- Manage the small renal mass
- Manage GU pelvic pain conditions
- Treat male and female voiding dysfunction, BPH, nocturia, and kidney stones
- Counsel patients on the role of diet and supplements in men's health
- Treat testosterone deficiency
- Manage GU dermatologic conditions
- Navigate coding and related practice management issues

**A few days before the meeting you will be emailed a link and a password to download the individual speaker handouts.**

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of **22 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**American Society of Radiologic Technologists Credit** Category A/A+ CE credit is pending approval by the ASRT.

## Disclosure

The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the sponsor adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

The Department of Urology is a California Board of Nursing approved provider (#8888).

March is the ideal time of year to visit Southern California. Temperatures are usually in the mid 70s, and skies are sunny and clear. The Ritz-Carlton overlooks the world’s largest small craft harbor and offers spectacular coastline vistas from the balcony of every guestroom. Guests will enjoy two lighted tennis courts, a waterfront swimming pool and state-of-the-art fitness center/spa, as well as other amenities that give the Ritz-Carlton its uncompromising reputation.

Within walking distance of the hotel are a variety of restaurants, clubs, and shops, as well as biking paths, jogging trails and, of course, the Marina Beach. Close by are art galleries, popular restaurants, architectural showpieces, and the distinctive cultural scenes of Santa Monica and Venice Beach. Shopping in Beverly Hills, Century City, Abbott Kinney, and Santa Monica’s 3rd Street Promenade is close by. The Los Angeles area offers a variety of vacation entertainment for both adults and children. Disneyland, Knott’s Berry Farm, Six Flags Magic Mountain, and Universal Studios are just a few of the attractions that help make a visit to Southern California a memorable experience.

## Accommodations

A block of rooms has been reserved at the Ritz-Carlton for conference participants at a special conference rate of **\$309.00 plus tax** per night for single/double occupancy. One night’s deposit is required to guarantee late arrival (after 5pm). Confirmation of reservations received after **February 5, 2019** is subject to availability.

For reservations call 310-823-1700 or 800-241-3333. Be sure to mention UCLA’s State-of-the-Art Urology Conference when calling in your reservations. You may also visit their website: <https://book.passkey.com/go/UrologyConference2019>.
