TROPICAL MEDICINE UPDATE for Savvy Clinicians

Saturday, September 14, 2019
Neuroscience Research Building (NRB)
UCLA Campus

In partnership with:
IDAC
Infectious Disease Association of California

CME Office of Continuing Medical Education
David Geffen School of Medicine at UCLA
Saturday, September 14, 2019

7:30  Registration and Breakfast

8:15  Welcome  
Claire Panosian Dunavan, MD (UCLA)

8:20  Fever in the Returning Traveler  
David O. Freedman, MD (UAB)

9:00  Malaria Update  
Philip J. Rosenthal, MD (UCSF)

9:40  BREAK

10:00  “What is Distinctive About Human Tropical Diseases?”  
Jared M. Diamond, PhD (UCLA)

10:20  Eosinophilia and Travel: A Practical Approach  
Amy Klion, MD (NIH)

11:00  Tropical Case Panel I with Faculty Comments  
• An ICU patient with severe and complicated malaria  
• Typhoid fever contracted in the Indian subcontinent  
• Strongyloides in a woman from Kentucky  
Case Presenters: Aric Gregson, MD and Claire Panosian Dunavan, MD

12:00  LUNCH

1:20  Tropical Dermatology: “Doctor, What’s That Thing on My Skin?”  
Aileen Y. Chang, MD (UCSF)

2:00  Leprosy and Leishmaniasis in L.A.  
Maria Teresa Ochoa, MD (USC)

2:30  Cysticercosis and Echinococcosis  
Elise O’Connell, MD (NIH)

3:10  BREAK

3:30  Chagas Disease  
Sheba Meymandi, MD (UCLA-Olive View)

Chagas Disease and Heart Transplantation  
Phillip Zakowski, MD (Cedars Sinai)

4:20  Traveler’s Diarrhea and Emerging Foodborne Parasites  
Claire Panosian Dunavan, MD (UCLA)

5:00  Tropical Case Panel II with Faculty Comments  
• Visceral leishmaniasis in a patient co-infected with HIV  
• African trypanosomiasis in a traveler  
• Severe neuroangiostrongyliasis in a patient from Hawai’i  
• Leptospirosis in an international athlete  
Case Presenters: Omer Eugene Beaird III, MD, Claire Panosian Dunavan, MD and David Haake, MD

6:00  ADJOURN
COURSE OBJECTIVES
At the completion of this course, participants will be able to:

• Apply current clinical and epidemiologic knowledge in recognizing tropical infectious diseases in patients seen in the U.S.
• Utilize modern strategies for the prevention, diagnosis, and treatment of tropical infectious diseases seen in the U.S.
• Develop a differential diagnosis for a returning traveler with fever and initiate diagnostic tests and treatment
• Appreciate new patterns of drug resistance in malaria and select appropriate antimalarial prophylaxis
• Apply modern diagnostic tests for malaria and initiate treatment
• Develop a differential diagnosis and initiate work-up and treatment for travelers and expatriates with eosinophilia
• Recognize the varied features of Chagas disease and apply current guidelines for diagnosis and treatment
• Identify a wide range of dermatologic disorders contracted in the tropics
• Identify common manifestations of leprosy and refer patients for treatment
• Diagnose common forms of leishmaniasis and refer patients for treatment
• Diagnose and initiate treatment for cysticercosis and echinococcosis
• Counsel patients on prevention and treatment of traveler’s diarrhea
• Detect emerging foodborne parasitic infections
• Cite cases illustrating unusual manifestations of tropical infections seen in healthy and immunocompromised patients

COURSE CHAIR
Claire Panosian Dunavan, MD, DTM&H (London), FIDSA, FASTMH
Past-President, American Society of Tropical Medicine and Hygiene
Clinical Professor of Medicine Emeritus/Recalled*

COURSES

Amy Klion, MD
Senior Clinical Investigator
Head, Human Eosinophil Section
Laboratory of Parasitic Diseases
National Institutes of Health

Sheba Meymandi, MD
Clinical Professor of Medicine/Cardiology*
Director of Center of Excellence for Chagas Disease
Olive View-UCLA Medical Center

Elise O’Connell, MD
Assistant Clinical Investigator
Helminth Immunology Section
Laboratory of Parasitic Diseases
National Institutes of Health

Maria Teresa Ochoa, MD
Director, Los Angeles Hansen’s Disease Clinic
Associate Professor of Clinical Dermatology
Keck School of Medicine of USC

Philip J. Rosenthal, MD, FIDSA, FASTMH
Editor-in-Chief, American Journal of Tropical Medicine and Hygiene
Professor of Medicine/Infectious Diseases
University of California, San Francisco

Phillip C. Zakowski, MD
Director, Cedars-Sinai Infectious Diseases Fellowship Program
Associate Clinical Professor of Medicine*

(click on “Tropical Medicine Update for Savvy Clinicians”)
Registration Fees:
Practicing Physicians: $95
IDAC Members: $75
Students and Medical Trainees: $50

Program Location
Neuroscience Research Building
NRB Auditorium
635 Charles E. Young Drive South
Los Angeles, CA 90095

Directions and Parking
From the 405 freeway, exit on Wilshire Blvd. East. Proceed on Wilshire Blvd. and make a left turn onto Westwood Blvd. Continue north on Westwood Blvd until you see Charles E. Young Drive South. Turn right onto Charles E. Young Drive South. Turn left at the Structure 9 stoplight. The Neuroscience Research Building will be to your immediate right.
Parking passes must be purchased prior to parking your vehicle. Below are 2 options for obtaining your parking pass.

Option 1: Parkmobile App
• Pre-pay for your parking through the Parkmobile App.
• Step-by-step directions can be found at http://bit.ly/uclaparkmobile
• The gate arm for Parking Structure 9 will be lifted on Saturday.

Option 2: UCLA Parking Information Kiosk
• You may purchase your parking pass at the UCLA Parking Information Kiosk just north of Charles E. Young Dr South.
• Parking attendants will direct you to Parking Structure 9.

Early registration is recommended, as space is limited.

Refunds
Cancellations must be received in writing by Saturday, August 31, 2019 and will be subject to a $25 processing fee. No refunds will be granted after that date. If, for any reason, the course must be cancelled, discontinued, or rescheduled by the Office of Continuing Medical Education, a full refund will be provided.

Enrollment
Online
Go to: www.cme.ucla.edu/courses and select “Tropical Medicine Update for Savvy Clinicians” You may use your MasterCard, Visa, American Express or Discover card to register.

By Mail
Use the form attached and mail to:
Office of Continuing Medical Education
David Geffen School of Medicine at UCLA
Tropical Medicine Update for Savvy Clinicians
10920 Wilshire Blvd., Suite 1060
Los Angeles, CA 90024-6512

By Fax
Send the completed enrollment form with credit card information and authorizing signature to (310) 794-2624.

By Phone
Call (310) 794-2620 to use your MasterCard, Visa, Discover, or American Express card.

Accreditation
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, designates this live activity for a maximum of 7.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
The California State Board of Registered Nursing accepts courses approved by the AMA for Category 1 Credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

Disclosure Statement
The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is "truly independent" and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. UCLA fully endorses the letter and spirit of these concepts.
