The UCLA Heart Failure, Mechanical Support and Heart Transplant Team presents

UCLA Heart Failure Symposium 2021
State-of-the-Art Updates & Therapies for Advanced Heart Failure
A Hybrid CME Conference
Available as both a live in-person and live virtual activity

Saturday, September 18, 2021
The Ritz-Carlton, Marina del Rey
Marina del Rey, California
Course Description
Heart failure affects approximately six million Americans and is the most common diagnosis for acute hospitalization in patients over 65 years. Over the next decade, we will see a dramatic increase in the number of patients in the community with advanced heart failure who can benefit from advanced therapies for complex cardiac disease. Academic medical centers, such as UCLA, have an opportunity to integrate treatment advances into a comprehensive patient-centered heart failure management program. UCLA Health wants to enhance the role of the primary care physician and primary cardiologist as the central provider for continuity of care for these complex heart failure patients.

The Ninth Annual UCLA Heart Failure Symposium 2021 will:
1. Discuss general heart failure treatment options including short and long term mechanical circulatory support therapy, heart transplantation, pulmonary hypertension management, high risk percutaneous and structural interventions, and complex congenital heart disease management.
2. Emphasize the need for developing networks linking academic centers with community physicians to manage these patients through the evolution of their disease pre and post advanced cardiac intervention.
3. Discuss heart failure therapies in cardio-oncology, amyloidosis and new medication updates, as well as address patient and care-provider’s specific needs and perspectives.

Target Audience
Family practitioners, internists, cardiologists, pediatricians, nurses and all other healthcare professionals taking care of heart failure patients, as well as the interested lay public.

Learning Objectives
At the conclusion of the program participants will be able to:
• Identify the epidemiology and pathophysiology of heart failure and the need for mechanical circulatory support with a growing heart failure population.
• Identify indications for and management of lifelong left ventricular assist device therapy.
• Implement shared care programs with the community and co-manage patients in need of complex cardiac therapies including LVAD therapy, heart transplantation, pulmonary hypertension management, high risk percutaneous interventions, and complex congenital heart disease management.
• Discuss the comprehensive multidisciplinary care and services available to complex cardiac patients within the UCLA Heart Failure Program.

General Information
Saturday, Sept. 18, 2021
7:45 am – 4:00 pm
Where:
The Ritz-Carlton,
Marina del Rey
4375 Admiralty Way
Marina Del Rey, CA 90292
(310) 823-1700
Conference Location:
Salon 1 & 2 Ballroom
Parking:
Valet parking $15

In-person attendees will be provided breakfast, patio lunch, and reception at the meeting site. The UCLA Heart Failure Symposium 2021 will also be available through a live virtual meeting web platform.
• Attendees who choose to attend the live virtual activity will receive a virtual meeting link and password to access the live virtual conference.
• All registrants (live or virtual) will be provided the opportunity to review recorded sessions up to 3 weeks following the conference.
• Attendees will be awarded CME credit commensurate with the extent of their participation in the live activity (either in-person or virtual). The recorded sessions are not certified for CME credit.

If the in-person gathering is canceled or capacity limits modified per CDC or public health guidelines, the Heart Failure conference will be modified accordingly or presented entirely as a live virtual activity.

COURSE CHAIR
Ali Nsair, MD
Medical Director, Heart Transplantation and Mechanical Circulatory Support Device Services
Heart Failure
Interventional Cardiology
Broad Stem Cell Research Center

UCLA COURSE FACULTY AND PANEL PARTICIPANTS

Jamil Aboulhosn, MD, FACC
Professor of Clinical Medicine and Pediatrics
Director, Ahmanson/UCLA Adult Congenital Heart Disease Center

Olcay Aksoy, MD, FACC
Assistant Clinical Professor
Interventional Cardiology
UCLA Cardiovascular Medicine

Abbas Ardehali, MD, FACS
Professor of Surgery and Medicine
Division of Cardiothoracic Surgery
William E. Connor Chair in Cardiothoracic Transplantation
Director, UCLA Heart, Lung, and Heart-Lung Transplant Programs

Arnold S. Baas, MD, FACC, FACP
Professor of Medicine
Ahmanson-UCLA Cardiomyopathy Center
Mechanical Circulatory Support and Heart Transplantation Program

Jason Bradfield, MD, FACC, FHRS
Associate Professor of Medicine
Director, Specialized Program for Ventricular Tachycardia
UCLA Cardiac Arrhythmia Center

Marcella Calfon-Press, MD, PhD, FACC
Assistant Clinical Professor
Interventional Cardiology
Co-Director, UCLA Barbra Streisand Women's Heart Health Program
Associate Program Director, Interventional Cardiology Fellowship

Meshe Chonde, MD
Cardiology Fellow
Ahmanson-UCLA Cardiomyopathy Center
Mechanical Circulatory Support and Heart Transplantation Program

Julie W. Creaser, RN, MN, CNS, CHFN
Advanced Practice Nurse, Ahmanson-UCLA Cardiomyopathy Center

Daniel Cruz, MD, PhD
Associate Clinical Professor of Medicine
Associate Director, Heart Transplant
Ahmanson-UCLA Cardiomyopathy Center
Mechanical Circulatory Support and Heart Transplantation Program

Ravi H. Dave, MD
Director of Interventional Cardiology at UCLA Health
Program Director of the Interventional Cardiology Fellowship Program
Director of the Cardiac Catheterization laboratories at Santa Monica UCLA Medical Center and Community Cardiology Practices

Mario Deng, MD, FACC, FESC
Professor of Medicine
Ahmanson-UCLA Cardiomyopathy Center
Mechanical Circulatory Support and Heart Transplantation Program

Michael Divita, MD
Cardiology Fellow
Ahmanson-UCLA Cardiomyopathy Center
Mechanical Circulatory Support and Heart Transplantation Program

Gregg C. Fonarow, MD, FACC, FAHA, FHFSA
Chief, UCLA Division of Cardiology
Director, Ahmanson-UCLA Cardiomyopathy Center
Co-Director, UCLA Preventative Cardiology Program
The Eliot Corday Chair in Cardiovascular Medicine and Science

Janet K. Han, MD, FACC, FHRS
Associate Professor of Medicine
Assistant Director, Cardiac Arrhythmia Service, VAGLAHS
Associate Program Director, Fellowship in Cardiovascular Diseases, UCLA/VAGLAHS/Olive View Medical Center
VA Greater Los Angeles Healthcare System

Megan Kamath, MD
Assistant Clinical Professor of Medicine
Ahmanson-UCLA Cardiomyopathy Center
Mechanical Circulatory Support and Heart Transplantation Program

Aaron Kaye, RN, BSN, CCRN
UCLA Outreach Coordinator for Advanced Cardiac Therapies

Murray H. Kwon, MD, MBA
Associate Clinical Professor
UCLA Division of Cardiac Surgery

Cathy Levenstein, LCSW
Clinical Social Worker
UCLA Advance Care Planning & Palliative Care Department of Care Coordination and Clinical Social Work

Melissa A Moore, RN, MPH, CCTC
UCLA Heart and Lung Transplant Nurse Manager

Rushi Parikh, MD, FACC, FSCAI
Assistant Clinical Professor
Interventional Cardiology I Advanced Heart Failure
David Geffen School of Medicine I UCLA

Anca Rahman, RN, MSN, NP-C
Advanced Practice Nurse, Ahmanson-UCLA Cardiomyopathy Center

Rajan Saggar, MD
Associate Professor of Medicine
Director, Medical Intensive Care Unit
Lung and Heart-Lung Transplant and Pulmonary Hypertension Programs

Richard J. Shemin, MD, FACC
Robert and Kelly Day Professor and Chief Cardiothoracic Surgery
UCLA Executive Vice Chairman of Surgery
Co-Director of the Cardiovascular Center

Emily Stimpson, RN, MSN, CCTC
UCLA Transplant Call Team Manager

Darko Vucicevic, MD
Ahmanson-UCLA Cardiomyopathy Center
Mechanical Circulatory Support and Heart Transplantation Program

Eric H. Yang, MD, FACC, FASE
Associate Clinical Professor of Medicine
Director, UCLA Cardio-Oncology Program
Associate Program Director, UCLA/Olive View/West LA VA Cardiovascular Diseases Fellowship
Application for Enrollment (Please Print)  

Course Title and Number 

UCLA Heart Failure Symposium 2021  
Please check only one option:  
☐ Live Virtual Conference: $75  
☐ Live In-Person Conference: $75  

Registration Fee  

M212-4  

TOTAL  

In-person registration includes access to the course materials, breakfast, patio lunch and reception at the meeting site. Virtual registration includes access to the live stream virtual conference. All registrants (live or virtual) will receive access to the conference recordings up to 3 weeks following the program.

Pre-registration fee is non-refundable.

Mail to: UCLA Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, UCLA Heart Failure Symposium, 10920 Wilshire Blvd., Suite 1060, Los Angeles, CA 90024-6512

Fax to: (310) 794-2624 (must include charge card information and authorizing signature)

Call: (310) 794-2620 (Due to COVID, many have been working from home. All voicemails will be returned)

Register online: cme.ucla.edu/courses (click on “UCLA Heart Failure Symposium”)

If you have any questions, please reach out via email at: UCLACME@mednet.ucla.edu

Accreditation Statement
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credits.TM Physicians should claim only the credit commensurate with the extent of their participation in the activity.
The California State Board of Registered Nursing accepts courses approved by the AMA for category 1 credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

Disclosure Statement
The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. UCLA fully endorses the letter and spirit of these concepts.
