UCLA Department of Urology

Presents

46th Annual UCLA State-of-the-Art Urology Conference

Friday-Saturday
March 5-6, 2021

A Live Virtual Conference
This course explores the most challenging management problems facing the practicing urologist. Distinguished faculty present current information and techniques in urologic oncology (prostate, bladder, kidney, testis), male and female voiding dysfunction and incontinence, urethral stricture disease, urinary tract infections and antibiotics, renal and ureteral stones, post-prostatectomy impotence, priapism, anorgasmia, prostate cancer focal and radiation therapy, genetic testing, advanced prostate cancer therapy, robotic surgery, BCG shortage and bladder cancer, and management of bilateral and multifocal renal tumors.

The conference emphasizes interaction between participants and faculty and allows ample time for case presentations and group discussions, ensuring an outstanding educational experience for attendees.

At the completion of this program, participants should be better able to:

- Manage prostate cancer patients with active surveillance
- Utilize molecular markers for personalizing prostate cancer care
- Counsel patients on focal therapy for prostate cancer
- Utilize PSMA imaging for managing patients with oligometastatic prostate cancer
- Manage bladder cancer patients in the era of BCG shortages
- Manage patients with upper tract urothelial cancer
- Manage bilateral and multifocal renal tumors
- Treat patients with testis cancer
- Manage male and female voiding dysfunction
- Utilize male slings for post-prostatectomy incontinence
- Manage patients with kidney and ureteral stones
- Treat patients with priapism
- Utilize strategies for post-prostatectomy penile rehabilitation
- Understand and treat anorgasmia
- Understand the therapies for advanced prostate cancer and role for genetic testing
- Manage recurrent UTI's in women and utilize genetic testing for UTI diagnosis
- Manage urethral stricture disease
- Carry out a metabolic evaluation for urolithiasis
- Improve shared decision making in patients with prostate cancer

Accreditation
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 17 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved by the AMA for category 1 credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

American Society of Radiologic Technologists Credit
Category A/A+ CE credit is pending approval by the ASRT.

Disclosure
The FDA has issued a concept paper that classifies the commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. Along with independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the sponsor adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

The Department of Urology is a California Board of Nursing approved provider (#8888).
