UCLA Stein Eye Institute and the Doheny Eye Institute present the Annual Comprehensive Ophthalmology Review Course

February 10-13, 2022

A Hybrid CME Conference Available as both a live in-person and live virtual activity

UCLA Stein Eye Institute – RPB Auditorium
100 Stein Plaza • Westwood, CA 90095
COURSE DESCRIPTION
This four-day live in-person and live virtual activity, aimed at ophthalmologists and trainees, will review the clinical essentials of each subspecialty in ophthalmology. It will be a clinically oriented review concentrating on the epidemiology, clinical presentation, diagnosis, and management of ophthalmologic disease; and will help prepare course participants for OKAPS, ABO, and maintenance recertification examinations. The course will cover the important clinical principles of ophthalmology and update any changes to traditional clinical protocols. It will be a review of accepted clinical practice and will not cover research-related topics. Basic scientific mechanisms and research therapies will not be covered.

OBJECTIVES:
At the conclusion of this course, participants will be able to:
• Identify and describe fundamentals of clinical ophthalmology and all its subspecialties
• Discuss the epidemiology, clinical presentation, diagnosis, and management of ophthalmic disease
• Integrate the latest guidelines for management of ocular disease into clinical practice
• Prepare for knowledge assessments at all levels (OKAPs, Board Examinations, Maintenance of Certification (MOC))

DIRECTIONS

From the San Diego Freeway (405)
Take Wilshire Boulevard off-ramp east (toward Westwood Boulevard). Turn left onto Westwood Boulevard from Wilshire. Pass Le Conte Avenue, and turn right into the UCLA Stein Eye Institute parking lot. Parking is available at the Institute for $14 per day.

The RPB Auditorium is located between the Doris Stein Eye Institute and the UCLA Stein Eye Institute. The UCLA Stein Eye Institute is easily accessible from all points in Southern California. The Institute is approximately 15 miles from the Los Angeles International Airport.

GENERAL INFORMATION

The 2022 Annual Comprehensive Ophthalmology Review will also be available through a live virtual meeting web platform.

• Attendees who choose to attend the live virtual activities will receive a virtual meeting link and password to access the live virtual conference.

• All registrants (live or virtual) will be provided the opportunity to review recorded sessions up to 3 weeks following the conference.

• Attendees will be awarded CME credit commensurate with the extent of their participation in the live activity (either in-person or virtual). The recorded sessions are not certified for CME credit.

If the in-person gathering is canceled or capacity limits modified per CDC or public health guidelines, the Ophthalmology Review conference will be modified accordingly or presented entirely as a live virtual activity.

ACCREDITATION

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, designates this live activity for a maximum of 27.25 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation.

The California State Board of Registered Nursing accepts courses approved by the AMA for category 1 credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

DISCLOSURE

The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, policy of the Accreditation Council for Continuing Medical Education mandates that the provider adequately manages all identified potential conflicts of interest prior to the program. We, at UCLA fully endorse the letter and spirit of these concepts.
