UCLA Primary Care Update 2022

Course Description
The clinical challenge of primary care lies not only in the breadth of the specialty, but also in the need to stay current in practice areas that are provided. This two-day program provides the participant with a balanced blend of core primary care topics coupled with updates on recent advances in a variety of specialty and subspecialty areas.

Course Objectives
Following completion of this program, the participant should be better able to:

- Evaluate and manage type 2 diabetes, atrial fibrillation, common skin disorders, migraines, thyroid disorders, and dysphagia
- Address challenges related to end-of-life care, medical ethics, linguistic competency, and menopause management
- Discuss the current role of liver transplantation as well as recent advances in head and neck surgery and the management of common spinal disorders

Target Audience
This course is targeted towards primary care clinicians, including physicians, nurse practitioners, and physician assistants.

Accreditation
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 14.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved by the AMA for category 1 credit as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

Disclosure Statement
The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the sponsor adequately manage all identified potential conflicts of interest prior to the program. We, at UCLA, fully endorse the letter and spirit of these concepts.
General Information

Date and Location
May 20-21, 2022
Encore at Wynn Las Vegas
3131 Las Vegas Blvd. South
Las Vegas, Nevada 89109
Phone: (702) 770-7000

Registration Fee
$245 Registration fee

Refunds
Cancellations must be received in writing by April 20, 2022, and will be subject to a $75 processing fee. No refunds will be given after that date. If for any reason the course must be canceled, discontinued or rescheduled, a full refund will be provided.

Enrollment

Online
Use your MasterCard, VISA, American Express or Discover card. Visit https://www.cme.ucla.edu/courses/ and click on UCLA Primary Care Update 2022.

By Mail
Enroll now by mail using the attached form.

By Phone
Use Mastercard, VISA, Discover, or American Express card. Call (310) 794-2620.

By FAX
Send the completed enrollment form with charge-card information and authorizing signature. FAX to (310) 794-2624.

Hotel
A block of rooms has been reserved at the Encore at Wynn Las Vegas from Thursday through Saturday night at the rate of $269/night plus tax. A discounted resort fee of $25 plus tax is not included in this special rate. When making your reservation, indicate that you are attending the UCLA Primary Care Update to receive the group rate.

Call the Wynn reservation line at (702) 770-7100 or toll free at (888) 320-9966. Please refer to the group name, UCLA Primary Care Update 2022, or block ID 6DGS0522, to confirm the group rate.

Rooms are available on a first-come, first-served basis and sell out quickly.

Reservation Cut-Off Date:
Tuesday, April 19, 2022

COVID Protocols & Policies
At the present time, UCLA policy mandates that all in-person participants for any UCLA meeting on and off campus comply with the following to attend the event:

• Proof of vaccination OR proof of a negative COVID-19 test within 72 hours of beginning of the event
• Wear masks at all times, except when actively eating or drinking, regardless of vaccination status

The following are acceptable as proof of negative COVID-19 test result from a PCR or antigen test:

a) A printed document from the test provider or laboratory, OR
b) An electronic test result displayed on a phone or other device from the test provider or laboratory which should include person’s name, type of test performed, and negative test result

Participants who are not compliant with the UCLA COVID policy will not be permitted to attend the event in-person. We will provide additional details regarding the process for submitting proof of vaccination or negative test result, in advance or onsite, prior to the course.

Please visit our website for other UCLA CME offerings.
